Your wellbeing and safety at Macquarie

PLAY YOUR PART

We all play a role creating a community which supports our wellbeing and safety.

What can you do?

- Treat people with respect.
  - *If you see something, say something.*
- Report bullying, harassment or racism via the Student Care and Reporting Network.

When you’re on campus …

- Look after yourself and your mates – both in and out of class.

When you’re online …

- Before you do something, ask yourself “*would I do or say this in person?*”
- If the answer is ‘*no*’, then don’t do it online either!

Need some help or advice?
