Promoted career-relevant work integrated learning opportunities through PACE (Professional and Community Engagement), engaging 6000+ students and partnering with 1000+ organisations in 2022.

We listened to your feedback and responded with the following initiatives:

- Launched Macquarie Kickstart to provide incoming students with a solid academic start through academic and social activities to help them prepare for their studies.
- Recognised the amazing achievements of students and the dedication of Macquarie staff and industry partners in PACE work integrated learning, resulting in a record 43 PACE prizes awarded in 2022.
- Launched new initiatives – such as the Jobs Happy Hour and the Engineering Student Employability Conference – to enhance the ways in which you can engage with industry, employers and career coaches.
- Launched safe spaces on campus to give you a space to seek help if you ever feel unsafe. Launched a sensory space to provide a place for you to de-stress, regulate and prepare for your studies.
- Launched Macquarie Kickstart to provide incoming students with a solid academic start through academic and social activities to help them prepare for their studies.
- Student Wellbeing offered a range of services (in person, online, group, peer and digital) to support your mental health, wellbeing, safety and disability concerns.
- Increased food assistance and financial support to help students with basic living costs.
- Continued to support students and graduates to find paid employment, with 7400+ students and 800+ graduates recruited through Macquarie Student Employment.
- Provided resources and training for staff to develop inclusive teaching skills and support student learning.
- Launched the GLP Alumni Insights Series – discipline-specific Q&A panel events for GLP graduates who are 5–10 years into their career journey.
- Launched the time management module and self-reflection tool to help you succeed.
- The Student Experience Survey (SES) is an annual national survey, conducted by the Australian Government, of first-year and later-year undergraduate and postgraduate students to improve their course experience and outcomes.

Based on students’ feedback in 2021 and 2022, Macquarie University has further enhanced its teaching and learning arrangements, and services to support students’ needs – including online learning skills and support, financial support, emotional wellbeing support and regular communications.

Check your emails during August for an invitation to complete the 2023 SES. By completing the survey, you will be entered into a weekly prize draw for the chance to win a $1000 prepaid Visa gift card, from a total prize pool of $32,000.*

* Visit qilt.edu.au for more information on the SES 2023.
