Research support contacts
FOR FMHS GRANT APPLICANTS

FLOW OF GRANT DEVELOPMENT

Faculty-specific support

PEER REVIEW
FACULTY:
Academic mentors and peers
• Help you to monitor the achievement of targets and outcomes – build track record
• Give constructive feedback on, and act as a sounding board to explore ideas and issues arising from your research
• Discuss ideas for new research goals and directions
• Help identify important research questions
• Provide guidance on funding opportunities and (as appropriate) collaborators
• Disciplinary review and strategic advice for draft grant applications

STRATEGIC REVIEW
FACULTY:
Research Manager (FRM) and FMHS Research Support Team (FMHS RS)
• FRM or FMHS RS team are your first point of contact for information and advice about funding opportunities and applications
• FMHS RS workshops/talks eg grant writing groups, NHMRC peer review information
• Facilitate disciplinary, peer-review of applications for major grant schemes

COMPLIANCE REVIEW

UNIVERSITY RESEARCH SERVICES support

Faculty of Medicine and Health Sciences

PEER REVIEW AND DISCIPLINARY ADVICE
about whether applicants and/or projects are likely to be competitive for specific funding opportunities

STRATEGIC ADVICE

STRATEGIC REVIEW
of funding applications and grantsmanship advice

EXPERTISE AROUND FUNDER GUIDELINES AND APPLICATION REQUIREMENTS

COMPLIANCE REVIEW of final application

UNIVERSITY RESEARCH SERVICES:
Research Development Consultants
Advice, toolkits and workshops (notably, for major NHMRC and ARC grant schemes)

Research Partnership Managers
Identification, development and management of relationships with external, non-grant-funding partners

UNIVERSITY RESEARCH SERVICES:
Pre-award support
• Ensure applications comply with all funding rules and instructions, including applicant eligibility, budget and budget justification, and other specific requirements of the funder
• Submit applications to external funding organisation (unless direct online submission by applicants)
