10.4 Fauna Park – Danger to Animals

**Purpose**

The Macquarie University Fauna Park stretches over 11Ha; and is committed to non-intrusive research.

**Guideline**

If animals are in danger, people must be removed first and foremost.

Only if the danger is small and easily contained should animals be removed from the area.

The relevant academic and Fauna Park Manager must be notified.

**Security are not to remove animals from the Fauna Park**
