- Immunisation Policy / Procedures
- Immunisation Policy / Procedures
- Immunisation Handbook Table 3.3.7

**DESCRIPTION**

Students are required to provide evidence of immunisation upon request and are responsible for keeping their immunisation records up-to-date. Document updates are performed by the NSW Health designated officer or faculty nominee. Students may be required to attend an interview with the Faculty nominee.

*NSW Health designated officer checks documents and records each student’s immunisation status in the ClinConnect database.

**FOR STUDENTS WHO DO NOT MEET IMMUNISATION REQUIREMENTS**

It is likely they will be unable to remain enrolled in the program.

**NOTE:** Immunisation cost is at the student’s own expense.
